6

### Social Media and Consumers

At the basic level, social media consumers want to:

- Exchange information
- Collaborate with others
- Have conversations

It is up to the marketer to **decide** if **engaging** in those conversations will be **profitable** and to find the most effective method of **entering** the conversation.

7

### How Consumers Use Social Media

- Before beginning to understand how to leverage social media for brand building, it is important to understand what consumers are using and how they are using it. In 2015:
  - Instagram grew by 50 percent to more than 300 million users
  - Millennials spent more than two hours per day on their smartphones
  - Facebook had more video views (12.3 billion) than YouTube (11.3 billion)
  - Snapchat grew by 56 percent
  - Tumblr added 120,000 new users per day

## Categorizing Media Types

© 2016 Cengage Learning. All Rights Reserved.

12

## Leveraging Different Types of Media

### Key Guidelines

- Maximize owned media by reaching out beyond their existing Web sites to create portfolios of digital touch points
- Recognize that aptitude at public and media relations no longer translates into earned media.
- Paid media must serve as a catalyst to drive customer engagement and expand into emerging channels.

13

## The Listening System

The first action a marketing team should take when initiating a social media campaign is simple:

**LISTEN!**

© 2016 Cengage Learning. All Rights Reserved.

14

## Social Media Objectives

<i>Listen and Learn</i>	Monitor what is being said about the brand. Develop a listening strategy.
<i>Build relationships and awareness</i>	Open dialogues with stakeholders. Answer customer questions candidly.
<i>Promote products and services</i>	Get customers talking about products and services.
<i>Manage your reputation</i>	Respond to comments and criticisms. Participate in forums and discussions.
<i>Improve customer service</i>	Seek out displeased customers and engage them directly to solve issues.

34

## Common Mobile Marketing Tools

**SMS**

**MMS**

**Mobile Web Sites**

**Mobile ads**

**Bluetooth**

**Smartphone Apps**

© 2016 Cengage Learning. All Rights Reserved.

35

## Apps and Widgets

### Apps

- Harness mobile technology
- Platform-specific or convert existing content to mobile format
- Can generate buzz and customer engagement

### Widgets

- Also called “gadgets” and “badges”
- Run within existing online platforms
- Cheaper to develop
- Extend reach beyond existing platforms

© 2016 Cengage Learning. All Rights Reserved.

36

### Apps and Widgets

The following questions should be considered before investing in a marketing-oriented widget.

- Does my organization regularly publish compelling content?
- Does my content engage individuals or appeal to customer needs?
- Is my content likely to inspire conversations?
- Will customers want to share my content?
